

CONTRACT #1047-01/02/14

Questions/Answers from Contractors

Question:

What is the liquidated damages amount, if any?

Answer:

N/A

Question:

At the pre-bid you had mentioned that the project had to be completed off hours so as to not interrupt operations. Drawing E2, note 34 states that the contractor is to provide temporary power. Is it your intent to have some sort of temp power on site for this project or were you planning to have the building down for the weekend so that the electrical work can be completed?

Answer:

Building down for weekend to effect change.

Question:

The question came up concerning meter location. Will the meter need to be relocated as per CL&P? If so, to where?

Answer:

Unknown at this time.
